The Casa Cool Beans Life

To Lance, to David and to Mousse
A little note to say

'Brigado Mucros, many thanks
Now that we're on our way
Your casa is a special place
we've had two lovely rooms
we couldn't ask for better
On our Rio honeymoon!
Your breakfasts were so yummy
And your tips were so insightful
we'll miss the Casa Cool Beans life
It simply is delightful!

Such thoughtful hosts and lush surrounds
A lively neighbourhood
A stay at Casa Cool Beans
would do anyone much good
A fond farewell and adios
we hope that we return
coz when we're back in London
It's for here that we'll yearn!

Love from Laura & Vince
